

Tuesday 4 October, 2016

12:00 – 13:00 **Overview of DEWA Solar PV Expert Certification Process**
Presenter: Representative, Distribution Power, **DEWA**

13:30- 14:30 **Shams Dubai Program**
Presenters
Armando Dominioni, Senior Manager – Regulation, **DEWA**
Noura Ahmed Al Naqbi, Manager – Regulation, **DEWA**

15:00 – 17:00 **Workshop: Technical Overview of Grid-connected PV System Design & Installation**
Presenter: Kristopher Sutton, Director of Operations, **Solar Energy International**

Wednesday 5 October, 2016

10:30 – 11:30 **Combining Energy Efficiency with Energy Distribution, Policy & Regulatory Frameworks, and Financing Models for Distributed Generation**

Presentation - Solar Leasing

Jeremy Crane, CEO, **Yellow Door Energy** (20 mins)

Panel Discussion

Jeremy Crane, CEO, **Yellow Door Energy**

Marc Norman, Senior Associate, **Chadbourne**

Mohammad Abdulrahman Al-Khaja, Chairman, **HHH Construction**

Moderator: Ridah Sabouni, MD, **Energetics**

12:00 – 13:00 **Soiling Mitigation Review: 13 MW First Phase of the Mohammed bin Rashid Al Maktoum Solar Park**
Presenter: Dr. Raed Bkayrat, Vice President Business Development, **First Solar**

13:30 – 14:30 **Smart Grids: How they Can Help Foster the Integration of Renewable Energy in the Distribution Grid**
Farid Al Khoury, Director Sales Middle East and GM Saudi Arabia, **Itron** (30 mins)
Samuel Zhang, Director FusionSolar Business Product Management, **Huawei** (30 mins)

15:00 – 17:00 **Workshop: AC Coupled PV Systems and Microgrids**
Presenter: Rebekah Hren, PV Curriculum Developer & Instructor, **Solar Energy International**

Thursday 6 October, 2016

10:30 – 11:30 **Market Trends, Innovation & Business Models for Solar PV**

Panel Discussion

Dr. Raed Bkayrat, VP Business Development Middle East, **First Solar**

Andrea Lovato, Executive Director Business Development, **ACWA Power**

Rafic Hanbali, Managing Partner, **Emirates Insolaire**

Sunil Rathi, Director, **Waaree Energies**

Representative, **Diamond Developers** (TBC)

Moderator: Belen Gallego, Business Development, **ata Renewables** and Founder, **CSP Today & PV Insider**

12:00 – 13:00 **Education and Awareness for New Generations, Initiatives to Support Dubai Clean Energy Plan 2050**
David Provenzani, Managing Director, **Dubai-Solar.Org** (30 mins)
Giulia Senigaglia, **Sheikh Mohammed Bin Rashid Centre for Cultural Understanding** (30 mins)

13:30 – 14:30 **Energy Storage Applications and Off-Grid Solar Solutions**
Daniel Zyvietz, CEO, **Enerwhere** and Director, **Clean Energy Business Council** (30 mins)
Claudio Palmieri, CEO, **CLS Energy Consultants** (30 mins)

15:00 – 17:00 **Workshop: Introduction to Battery-Based Solar Electric Systems Design**
Presenter: Rebekah Hren, PV Curriculum Developer & Instructor, **Solar Energy International**
